

The Clock Tower: Issue 12, November 2008

Instructions for the printing of the folded A5 version

Printable artwork of 24 A4 landscape pages is included separately.

The publication is to be printed landscape style and on both sides to create 12 A4 pages which are then folded to A5. The publication will have a total of 48 A5 portrait style pages.

Pages are numbered.

First, print off the odd pages (A 4 sheets 1-23). When all the pages have completed printing, turn the pages over and print the even numbered pages (A4 sheets 2-24) on the reverse.

For example:

A4 Page 1 (from left to right: page 48, back page, *In November 1916 Fred wrote to Edith* and page 1 front page)

to have printed on the reverse:

A4 Page 2 (from left to right: page 2, *News and Events* and page 47, *We Will Remember Them...*)
