On Display in the Foyer - Short Mayo Composite (1937)

The Short brothers moved their successful business to Rochester in 1913 due to their interest in developing seaplanes. The Medway was an ideal place for testing. The business relocated to Belfast in 1948. We are delighted to now have the model of the Short Mayo Composite (1937) on display in the foyer of MAC (see photograph). We also have a collection of plans, drawings, photographs and ephemera to view by appointment.

32 Bryant Road, Strood, Rochester, Kent, ME2 3EP (previously the old Strood library). Contact our expert team if you require further information on 01634 332714. For further details see the MAC Facebook page www.facebook.com/malsc/, the FOMA website (www.foma-lsc.org) and Facebook page www.facebook.com/fomalsc/

Eastgate House is one of Rochester's landmarks. Built in the 1590s by Sir Peter Buck, the most senior member of staff at Chatham Dockyard, its structure has been adapted considerably over the years, but research has indicated that the original building may be Medieval or earlier. Further information can be obtained at: www.friendsof-eastgatehouse.org on Facebook on www.facebook.com/eastgatehouse and on Twitter <https://twitter.com/EastgateHouse>. To join the Friends of Eastgate House, please contact Terri Zbyszewska, The Membership Secretary, FoEH, 31 The Esplanade, Rochester, ME1 1QW or at zbyszewska@yahoo.co.uk; a copy of the membership form is also available on the website.

The Friends of the Guildhall Museums

www.friendsoftheguildhall.com

The Friends of the Guildhall Museums is a group which supports the work of two important but very different elements of Medway's heritage - the Guildhall Museum in Rochester and the Old Brook Pumping Station in Chatham. Supporting the Guildhall Museums will help conserve our local history for generations to come through specialist events and opportunities designed to educate and inspire, telling the stories of the Medway Towns.

For all events see www.friendsoftheguildhall.com/events/

FRIENDS OF CHATHAM TRACTION

The Friends were constituted in 2007, with aims centred on the restoration of the sole surviving Chatham Traction bus, GKE 68 of 1939. The Chatham & District Traction Company had operated bus services over Medway's former tram routes from 1930 to 1955, when it was absorbed into Maidstone & District. The bus, a once-familiar piece of Medway's fabric, is to come alive again as a resource for the study of local and social history.

Buses were central to life in the Towns for many decades, taking people to school, shops, work or play. Studies might look inward to the company's people and facilities, or outward to its services and locations served, and how lifestyle changes influenced its development.

To support the educational aim we are collecting relevant material to form an archive of local transport history, including an oral history collection. We would be happy to receive any items – photographs, artefacts, ephemera – relating to Chatham Traction, its predecessor trams or local bus operations up to 1970 (the year of withdrawal of the last Chatham Traction vehicle).

Grants from the Heritage Lottery Fund and the Rochester Bridge Trust have allowed completion of two fundamental stages – the reconstruction of the body structure and overhaul of the engine. We are now seeking further funding to complete the restoration and to prepare our organisation for its educational role.

We offer talks to interested bodies, and organise occasional events to which the public are invited. For more information contact Richard Bourne (Chairman); 31 Usher Park Road, Haxby, York YO32 3RX; 01904 766375, or 07771 831653. Email Richard@thebournes.me.uk. Or see our website at www.chathamtraction.org.uk.

Chatham Dockyard 40s Weekend - 15th and 16th September.

We are looking to secure a better location at this event this year, possibly by joining with the Medway Queen guys who are usually situated down by the three warships on the main roadway. As ever volunteers would be welcome to do a stint on either or both days! Please contact Wendy Mesher on 01634 831635 or email to wendymesher@blueyonder.co.uk.

Blue Town Heritage Centre, The Criterion Music Hall and Cinema

www.thecriterionbluetown.co.uk/#!/criterion-music-hall/cb3i

The present Heritage Centre and café are on the site of two earlier establishments. Originally the New Inn in 1868, the site became The Royal Oxford Music Hall. The following year the building, situated a few doors down from the court house, became The Criterion public house, which included to the rear a music hall called The Palace of Varieties. This offered "rational amusement for all classes" including, in April 1876, a one armed juggler! In 1879 the earlier building was replaced with a brick built one. The Heritage Centre is packed with items, memorabilia and artefacts, including an upstairs area dedicated to HMS *Victory*.

Open Tuesdays to Saturdays 10am - 3pm and for events. Entrance £2.00 and includes entrance to the Aviation annexe at Eastchurch. Entrance is free to Friends. To become a Friend costs just £5.00 a year, for this you receive information before it goes onto the website and invites to special Friends-only events, plus a regular newsletter.

Today the main space at the centre is occupied by the Criterion Music Hall, one of just a few remaining authentic Music Hall buildings, lovingly restored by Jenny and Ian Hurkett and their unbeatable team of volunteers. The Criterion stages professional Victorian style music hall shows (three seasons a year), cinema every Friday and theatre and live music shows; it is also available for private hire. Booking on 01795 662981 or by visiting the website: <http://www.thecriterionbluetown.co.uk/#!/criterion-music-hall/cb3i>
